

Avantopool Kide with Cooling & Heating Unit (CHU)

Avantopool Kide is an inflatable, compact round pool designed for professional and home use. Kide comes with an inflatable lid, and the pool can be used almost anywhere as it travels easily in a carry bag.

The external cooling unit is easy to use, and the hoses can be quickly attached with 32 mm quick connectors. The pool fits up to two persons but is most comfortable for single person use.

Kide is made of durable reinforced, skin-friendly PVC and is easy to keep clean. Together with the Avantopool Cooling & Heating Unit you can enjoy professional level cold baths or relax in warm water. The CHU is equipped with continuous UV purification which keeps the water always clean.
